Consultation on Admissions Arrangements

As a school we are required to consult on our Admissions Arrangements every 7 years, even if we do not intend to make any changes. As a result of this we are now consulting on our admissions arrangements as it has been 7 years since our last consultation. Please note admissions arrangements for current year admissions, and applications for places to start in September 2024, remain as they currently are. The consultation relates to admissions from September 2025 and beyond.

We are not intending to make any changes to our Admissions Arrangements. A copy of the current arrangements can be found here (<https://www.hillsideprimary.com/admissionsappeals/>) – as there are no planned changes, we have not published a document detailing changes.

The consultation will open on 02.10.23 and will close on 13.11.23. If you wish to provide any feedback, please email office@hillsideprimary.com. At the end of the consultation period all feedback will be reviewed by the Senior Leadership Team and Governing Body. We will then write to everyone again to inform of the outcome of the consultation and the Admissions Arrangements from September 2025 admissions.

Kind regards
